5.5 million interactions and 2 million page views, on average 4 pages is viewed per person.

No.1 in Google for all relevant searches.

Organic search traffic is at 74% which leads to higher quality leads and better engagement with our content.

EMAIL MARKETING

Reach 100k active subscribers every month.

Average open rate of between 25% and 35% across all consumer emails.

Create a mini editorial feature to sell your business or a particular seasonal promotion.

We sent a whopping 3.1M emails, up 5.6% on the preceding year.

Click-throughs to advertisers can also be several thousand per newsletter.

TOURIST INFORMATION CENTRE

Make sure our thousands of visitors know about your business through our award winning visitor hub.

OFFICIAL POCKET MAP GUIDE

Proved incredibly popular with visitors in getting around and planning their days out.

A new map will be produced in early 2025.

Primarily for experiences, things to do, places to eat, travelling around, retail, etc. but is also a valuable promotional tool for accommodation providers to get seen by day visitors for future staycations.
